Our File: PM-1322 (Yugoslavia)

Dear John:

Thank you for your June 22, 1992 facsimile regarding the official action in this case. I believe we are in agreement with respect to the scope of the claims, and that you may respond as you propose.

We had some difficulty with your facsimile. Although we did receive two sheets, the second sheet bears only the machine-generated notice "END OF MESSAGE." It appears that on page 2 you were discussing only the fate of the Yugoslav Patent Office, and for that I can wait for the confirmation copy. However, if there were substantive matters requiring my attention, please resend page 2 by facsimile.

I close with the thought that we will soon have to concern ourselves with a similar situation in the Czechoslovak Patent Office.

Very truly yours,

JHI:bas
